

## 古い城の整備をしながら過去へとタイムトラベル

プロジェクトコード : ANEC05

プロジェクト名 : In the Heart of the Regional Nature Reserve of Chevreuse 1

期間 (プロジェクト開始日～終了日)

7/8/2022 ~ 7/22/2022

### 背景

In the heart of the Regional Natural Park of the Chevreuse Valley, in a remarkable historical place, you will contribute to the development of the castle of Rochefort-en-Yvelines, classified as a historic monument since 1931. The vegetation has buried paths and ancient ruins that volunteers have been discovering every year for 5 years during international workcamps. Between streams and stone bridges, this unique place will make you to go back in time. you will relive the history of 17th century millers and 19th century landscape painters. You will live with the other volunteers and participate in site activities as well as in daily life. A facilitating team will accompany you on a daily basis in these activities, and you will experience an adventure in the very heart of this remarkable heritage that is the Chevreuse valley!

### 活動内容

塔の清掃、周辺環境の維持、公園の修繕など

You will participate in enhancing a 2560m<sup>2</sup> area of greenery: come help clear the tower, contribute to its enhancement, maintenance of the surroundings, etc. A technical team specialised in natural areas will supervise the work. You will help revive certain areas of the park so that visitors and tourists can discover the treasures these places hold. The workcamp will make the site accessible for guided tours, and this will allow walkers to visit freely and safely.

### 参加条件

特になし

### 宿泊・食事

自然公園内でのテント生活 寝袋持参

You will be accommodated in the heart of the Regional Natural Park, under tents furnished by the organization. The place is a true haven of peace, surrounded by nature. It is an opportunity to disconnect of your daily life : there is no Wi-Fi. But you can use the phone network if you need it. Travel for shopping will be by vehicle. You will be able to explore the Park and the many trails by bike. All aspects of the collective life (shopping, meal preparation, cleaning) will be managed by the volunteers themselves, based on an operation that you will have decided upon together beforehand (e.g., use of schedules, constitution of pairs...). You will be assisted in this task by a group facilitator. You will cook in turns for all the participants. It will be an opportunity to show your culinary skills! The aim is for each one of you to be an actor/actress of your stay, while respecting others and community life.

#### **最寄空港・駅・バス停**

パリ (PAR,CDG,ORY) 空港

Dourdan trainstation (zip code 91410)

#### **場所・レジャー**

In the heart of the Park, volunteers will need the car with the campleader to move and discover the area. Near Paris and Versailles you will participate in an original and alternative tour of the capital (visit of the Regional Park, Wild park animals in Rambouillet, museums, walk in the nature reserve of Saint Quentin-en-Yvelines, etc). You will plan your spare-time and leisure activities with the facilitators and the group of volunteers in order to participate each to all everyday tasks and choose collectively activities and places you wish to discover.

#### **備考**

Unfortunately, the workcamp and accommodation sites are not recommended for wheelchairs. There is no Wi-Fi connection on the site however, the volunteers will be able to find public Wi-Fi during the time off.
