

自然豊かなフランスの田舎で地元民と公園を整備する

プロジェクトコード : ANEC12

プロジェクト名 : The Joly Parc orchard

期間 (プロジェクト開始日～終了日)

7/15/2022 ~ 7/30/2022

背景

A little over a year ago, the Association for the Protection of the Gardens and Terraces of Semur was created around one objective: to restore the Parc Joly, a nugget of nature and landscaping in the heart of the village of Semur in Auxois! Since then, dozens of residents meet regularly to get their hands dirty... It must be said that the two-hectare park is full of surprises! Between the woods, the banks of the Armance, the ponds, the dovecote, the orchard, the dry-stone terraces, the benches, and the small shed, it offers a multitude of landscapes, each more beautiful than the next!

活動内容

果樹園での活動

This summer, volunteers from the Association for the Protection of Gardens and Terraces of Semur want to move up a gear by hosting an international volunteer workcamp. The objective: to develop the orchard as it was at the time. To do this, you will be able to try your hand at lots of different tasks, such as: cleaning the low walls, redesigning the path that goes around the orchard, repainting the orchard gate with lime, rebuilding a shed, making plant weaving around the old well, prepare the ground for planting fruit trees in autumn, reassemble a small dry stone wall and even discover the technique of building standing stone walls (with lime). So, as a team and accompanied by technical supervisors, you can learn lots of different things, without ever getting bored! All in a beautiful bucolic setting!

For lunch and dinner, you will have a kitchen and a relaxation room at the Village Social Center to eat all together. You can also picnic and have barbecues and campfires in Parc Joly.

All aspects of collective life (shopping, meal preparation, cleaning) will be managed between volunteers, based on a functioning that you will have decided together (eg: use of planning, formation of pairs, etc.). You will be helped in this task by a community life facilitator. The goal: for each volunteer to be an actor in their stay with respect for others and community life.
