### 活動内容

Come and liven up a small town in the heart of Brittany by enhancing a beautiful site near a creek! The municipality of Bon Repos sur Blavet welcomes you for its third international workcamp where you will help to enhance a site at the west of the town where a ruined chapel is located, the chapel of Troluzon! This is a unique opportunity to discover the local culture and make unforgettable intergenerational encounters. Following on from projects carried out in 2020 and 2021, you will work on this picturesque site: after having cleaned the site, the idea is now to consolidate the walls and to secure the roof in order to turn it into a meeting place for the inhabitants. You will also participate in the construction of a barbecue!

#### **場所・レジヤール**

Bon Repos sur Blavet (about 1,300 inhabitants) is located in the department of Cotes d'Armor (22) in the centre of Brittany. It is located 15 minutes away from Lake Guerledan, one of the largest lakes in Brittany. It is a beautiful site where you will be able to carry out activities: hikes, leisure activities, discovery of a rural area... You will also be able to go on a trip to the sea and share unforgettable moments with the inhabitants.

#### **備考**

You will have to bring warm clothes (trousers, sweaters, socks, closed shoes, raincoats) and light ones (skirts or shorts, t-shirt, open shoes) because weather can change very suddenly in Brittany. You can literally experience all four seasons in one day! Please also take with you working clothes, gloves and shoes in addition to your swimsuit. Bring a warm sleeping bag and an insulated camping mat as nights are sometimes fresh and wet.
