

自然ゆたかな村で伝統的な教会を修復

プロジェクトコード : CONCF-186

プロジェクト名 : BE CONNECTED TO NATURE!

期間 (プロジェクト開始日～終了日)

8/3/2022 ~ 8/24/2022

背景

The 72 inhabitants are looking forward to hosting international workcamps. The local community is highly involved and will therefore welcome you very warmly. They will help you discover the Norman culture and a remarkable natural environment. They are really happy to meet new people from around the world.

Exchanges between locals and volunteers are guaranteed: you can be sure that you will enjoy the friendly atmosphere of this village!

活動内容

In the heart of the “Pays du Haras”, in the county of Orne, come and discover the tiny village of Authieux-Du-Puits. A perfect workcamp for nature lovers!

You will work on the restoration of the village’s church’s frontage, supervised by two workcamp leaders. You will learn traditional techniques of masonry: mortar work, masonry work, repairing joints by using traditional techniques (e.g., lime mortar). You will be accompanied by the workcamp leaders throughout the work site to help you step by step in learning these techniques!

参加条件

高いところが平気な人 (高所での足場を使った作業があります)

宿泊・食事

テント生活 寝袋持参

Adventure, here we are! You will sleep in tents, by 2 or 3 (bring your camping mat and your sleeping bag), so you will be in direct contact with nature. The cooking and living spaces will be in a large conical tent called “marabout” in French. About the sanitary facilities: toilets and

showers will be in a specific house.

The meals will be taken in a room in the mill with the volunteers of the local organization. The group will share the cleaning tasks and prepare meals together. The budget will be allocated to the group leaders and you will participate in the shopping and the preparation of meals with good products from the market and local producers.
