プロジェクトコード : NIG09

期間 (プロジェクト開始日～終了日)

8/1/2022 ~ 8/14/2022

### 背景

This project is organized by NiG e.V., a german non-profit and non-government organization. In this project we work together with the local agency for agriculture and environment.

### 活動内容

This work camp is for nature lovers, since the work will be mainly outdoors. There is a lot of work around the natural reserve "Upahl-Lenzen". Since it's not possible to use common agricultural techniques, volunteers have to do everything manually. More over every meadow around has to be cut and the grass have to be put aside. The aim of this project is to help to protect this unique reserve through your contribution. This project will be done in cooperation with environmental agency of Mecklenburg-Western Pomerania.
